

## Program Proposal

Describe the type of program you propose to air on KSVU. Be as specific as possible, i.e., type of music (music show), topics of discussion (public affairs show), etc. The more information you provide, the more likely your proposal will be accepted.

**N.B.** *This proposal will be the basis of evaluation should your proposal be accepted and you are assigned an on-air shift.*

If you are proposing a music show, complete a Proposed Play list for a sample show (including: name of song, name of artist, composer [all required for BMI reports] and length of cut.

If you are proposing a public affairs show, that includes interviews, attach a list of potential interviewees and the questions you would ask him/her.
